

San Gemini Book & Paper Conservation School

Conservators and Restorers of Library and Archival Materials

September 16, 2024 - May 23, 2025

This new school offers a professional training program in the field of restoration and preventive conservation of books and paper it will provide all the basic skills necessary to be a conservator and restorer of books and documents made with Western paper technology from the 16th Century to the present.

The program will be one academic year long (nine months) and will be held in the town of San Gemini in Umbria, Italy. This will be a very intensive study program (five days per week) that will include theoretical instruction in the classroom and practical training in workshops. All instruction will be done in English, in-person, in San Gemini.
